

The email from CSI is below:

I have attached an ACH form for those who are interested in making a monthly commitment through automatic withdrawal. These forms must be completed by hand and mailed back to our office for our records. We are also able to receive donations via telephone, by calling our headquarters and asking for Angie (the number can be found below). Online giving is available by going to our website [www.csiministries.org](http://www.csiministries.org) and selecting the appropriate link near the center of the page, directly under the words, “*To contribute to the Haiti Earthquake Relief Fund online.*” Checks are also accepted. Please make sure all checks are made out to CSI Ministries, and that the purpose of the gift is clearly noted in the memo line, i.e.; Haiti Health Clinic. We also accept money orders. Please mail all ACH forms, checks, and money orders to our address found below.

*If you have any further questions, please let me know. Thank you for supporting the Andersons and the clinic during this difficult time in Haiti.*

*God bless,*

**Nathan Harris**
