## Launch New Alumni App... *con't from pg 1.*

Why does SCSAA need an app? Well, everyone else has one, so why not!? The main purpose and most active use of the App will be to inform attendees (and potential attendees) of Alumni Weekend about the schedule of events, what's happening where, and how to become involved.

Push Notifications will be sent out periodically. These are the pop ups you get on your home screen to keep you updated throughout the weekend and beyond. The App will also be a direct portal to check your SCSAA membership status, as well as pay your membership dues.

In addition, you will be notified of opportunities to participate in Alumni events like SHS Career Day, the Alumni Sharing Knowledge (ASK) Program, the Alumni sporting events taking place, and when to get your tickets for Sports Hall of Fame.

We know that Alumni will not be using this App on a regular basis, however there will be many benefits to having this App installed on your device. SCSAA is an active Association with many new initiatives that we want to keep all Alumni informed about. The success of many of these initiatives is contingent upon Alumni participation and support - this App is just another way we hope to connect with you!

Please go to your App store and search "Sidney Alumni" to download the App. It's FREE, so why not?! Activity on the App will begin the weeks leading up to Alumni weekend but download it now so you don't forget!

## Be Part of SCSAA's Efforts To Enhance School, Community and Alumni... Become a Member

The SCSAA board of directors greatly appreciate our members' support, which enables us to continue our program of seven annual scholarships and donations to help various school and community causes.

If you are interested in learning about the value of your Membership, please see the *Reflections* Winter 2018 issue, on our Website.

Dues are \$15 per year for a regular annual/\$70 for 5 years; for seniors age 65 and older, \$10 per year/\$45 for 5 years. An invoice postcard is mailed each year in June.

If you would like to become a member, please fill out the Membership Form on page 22 and follow the mailing instructions.

For questions, please contact Debby Puffer, (607) 967-8480, or email: [dwpufer@frontiernet.net](mailto:dwpufer@frontiernet.net).

## SCSAA's Campaign for Sidney Center Park and Playground Underway!

SCSAA kicked off the campaign late last year with the goal to raise \$2,500 towards the project, with a matching amount of \$2,500; a total of \$5,000 towards the project. The Sidney United Way then committed to match those funds and donate an additional \$5,000 bringing the total between the two organizations to \$10,000.

SCSAA has raised close to \$800 towards that goal and we need your help to raise the emaining funds! With just \$1,700 left to go, SCSAA will be mailing a donation letter in the coming week to all Alumni requesting support for this terrific, community project, so please watch for the letter in your mailbox!

If you have any questions about the project or where the funds will be going, please email [msellitti@gmail.com](mailto:msellitti@gmail.com), or visit [SCIGNY.org](http://SCIGNY.org), or Facebook at [www.facebook.com/SCIGNY](http://www.facebook.com/SCIGNY).

# Sidney Alumni Association Names Inaugural Student Fellows

by Allison Collins, Tri-Town News

**Glenn Rogers**  
*Class of 2020*

**Sarah Bessett**  
*Class of 2021*

In April, the Sidney Alumni Association passed a resolution to bring active Sidney students into the alumni fold. Though approved recently, introduction of the Sidney Alumni Association Leadership Fellows Program, association president Douglas Sheldon said, was years in the making. “In the five years that I’ve been doing this,” he said, “part of my vision (has been) to expand what the alumni association is able to give to both the community and the school.”

Sheldon noted that his concept gained traction last year, after approaching Sidney High School Principal Eben Bullock during Career Day in November. Sidney teachers, guidance counselors and administrators, Sheldon said, then selected five student candidates, interviewed during the association’s April 6 meeting. The following day, freshman Sarah Bessett, vice president with the Class of 2021, and sophomore vice president Glenn Rogers, 2020, were named the association’s inaugural fellows.

“We’ve always had a member of the school board on our board and ... there are a lot of things that we do with the school and in the community, but one of the things that’s hard for any alumni association is reaching the younger people,” Sheldon explained. “So, I thought, ‘Why can’t the Sidney Alumni Association create its own leadership program and invite a couple of high school kids to participate in board meetings and all our activities?’” According to a press statement, “the vision for the ... program is one in which the association can benefit from the youthful

energy, imagination, insight and social-cultural awareness of teenagers, and young people can benefit by experiencing how the association plans and organizes its many alumni events and involvements with the school and community.”

Rogers and Bessett said becoming fellows offered a chance to enhance themselves and their community. “I knew I had the confidence, capability and leadership qualities,” Rogers, 16, said, “and I really thought I could benefit ... and impact others.” Bessett, 14, who recalled being “very excited” to learn of her selection, said: “I wanted to ... benefit and strengthen my community. I just wanted to be able to help others, really.”

Citing association involvement with the Sidney Veterans Memorial Park, library grants, academic scholarships, Sidney Career Day and the Sidney Alumni Weekend, Sheldon said, he hopes experiencing the breadth of association outreach furthers philanthropy in the young Fellows. “It strikes me that if high school kids get involved with this and see how the alumni are about giving back,” he said, “that something exciting could begin to happen for them and we foster an even better connection of service to the school.”

Reciprocally, Rogers and Bessett said, they are keen to gain from their interactions with association members. “I’m just trying to work with as many people as I can, because these guys are professionals,” Rogers said. “I’m extremely ... thankful to be a part of something I personally value, and be a part of something this big.” “By working with professionals,” Bessett added, “I get to

have a voice with people who are very experienced and can benefit myself and others in Sidney.”

Both Bessett and Rogers, Sheldon noted, are not only class officers, but members of school service groups, community volunteers and exemplary academic students. “They have a real focus on giving back in some way ... and are already beginning to show leadership qualities at ages 14, 15 and 16,” he said. “We looked at the broader personality, not just academics or just service ... and had a hard time selecting.” Sheldon added that the three-hour interview process was “an exciting thing to do.”

Association vice president Jon Jay DeTemple; Sidney Central School board member Kerri Green; and Sidney teacher and student council adviser Lori DePauw conducted the interviews along with Sheldon. Going forward, Sheldon said, student fellows’ level of participation in the association will be determined by the individual. “The invitation is for them to attend each of our four annual board meetings, be an active part of the three-day (alumni) reunion and serve on any of our (14) different committees. We want them to feel invited in a whole-hearted, healthy way,” he said. “This association does a lot of things all benefiting the community or school,”

Sheldon said. “And leaderships people who, of their own motivation, get interested in something bigger than themselves. That’s what we’re hoping to encourage.”

The association’s next scheduled board meeting is June 16 at 11 a.m. For more information, find “Sidney Central School Alumni Association” on Facebook or visit [sidneyalumni.org](http://sidneyalumni.org).<sup>4</sup>

## Career Day

Our 4th annual Career Day will be held during National Education Week, Nov. 12-16. We are always looking for our alumni to help with this event to be a presenter on your career path.

This is held at the high school in the gymnasium from 8 am until noon. It is a great way to showcase different careers to grades 7-12.

If you are interested in being a presenter or would like more information, please contact Teri Schunk at [Teresa.schunk@nbtmang.com](mailto:Teresa.schunk@nbtmang.com)

## Alumni Sharing Knowledge Network (ASK)

The SCSAA is working to strengthen the connection between Alumni and current Sidney students by working closely with SCS administration to host specific events and programs.

One example of this partnership is the annual Career Day, which brings Alumni to the school from various professional backgrounds to share their experiences and insight with students from grades 7-12. To continue this meaningful relationship with students, SCSAA is creating the Alumni Sharing Knowledge (ASK) Network.

The Association is requesting from current dues-paying members to participate in the program. SCSAA will build a searchable online database of Alumni willing to participate. The information SCSAA collects will consist of: your name, class year, sports and/or extra curricular involvement, post-high school education or military service, internships, professional experience, current occupation and personal interests/hobbies. This information will then be hosted on two kiosk-style, touch screen monitors located in high-traffic areas in the Sidney High School. Students will have the ability to search his database and receive results most relevant to their search. They can then choose to contact you in a manner in which you prefer (i.e. by email, messenger, phone, etc...) to ask questions relative to your responses. This experience will give students a direct perspective on a field of interest and the excitement that they too can pursue a career path after leaving Sidney schools and become successful.

SCSAA will also use this database as a way to recruit Alumni to participate in events like Career Day and other programming that would benefit from having your perspective. The Association will never solicit your information to an outside party and will only share the information you allow. Our intention is to give students a perspective from individuals who have been in their shoes before. The Association will also host historical information including: Sidney Wall of Fame inductees, Sports Hall of Fame Inductees, Alumni weekend events/notices, and other Association sponsored announcements, programming and events. We look forward to your involvement and willingness to give back to the community, school and Alumni

If you have any questions about the program, please contact Michael Sellitti, Director of Communications for the SCSAA at [msellitti@gmail.com](mailto:msellitti@gmail.com). Thank you for your consideration, time and participation.

## Wall of Fame Induction

### William O. Davidson

Excellence in Teaching, Mentoring  
and Volunteering

**William Davidson**  
*Educator*

William "Bill" Davidson graduated from Union High School in Union, New Jersey, in 1954. He received his Bachelor's Degree in Education/Journalism from Grinnell College in Iowa. Bill joined the U.S. Army after college for two years and then attended Newark State College and the State College at Oneonta for graduate studies.

Bill began his teaching career in Hillside, New Jersey, and then came to Sidney to begin a career in education that lasted 33 ½ years. He taught seventh grade math and eighth grade English for most of his time in Sidney. During his tenure, Bill was President of the Sidney Teachers' Association and was named Teacher of the Year for 1974-1975. His students still comment on the skills they learned in his classroom.

A major portion of Bill's life was coaching wrestling and cross country. In 1965 Bill became the first cross country coach at Sidney, and in 1967 he led an undefeated team that ranked third in the state. His JV wrestling teams had a 113-29 record from 1962-1973. Stories about Coach Davidson are still talked about by students today. His leadership accomplishments earned him the honor of becoming an inductee to the Sidney Sports Hall of Fame. Bill has been an active member of the community since his retirement in 1988. As a member of the Sidney Rotary since 1989, he served as President from 1993-1994. He is always helping new members to become active and lives the motto, "Service above Self."

For over twenty years Bill has been the chaplain for the Sidney American Legion and the advisor for the Sons of the American Legion. In addition, Bill is currently a member of the Eagle Scout Board of Review for the Leatherstocking Boy Scout Council. When Bill was interviewed by Rotary, he was asked what his proudest moments since moving to Sidney were. He replied, "I am so glad I moved to Sidney and had the

honor of being a teacher, coach, Rotarian, Legionnaire, church member, and volunteer in the community."

Dennis Porter stated, "Bill Davidson has encouraged me since I was a student in high school. He encouraged me when he was my cross country and wrestling coach and continues to be a mentor to me today. I am very pleased that Bill Davidson has been nominated to the Sidney Wall of Fame. It is a well-deserved honor."

### Blake Hayes

Excellence in Historic Preservation  
and Public Service

Blake Dean Hayes, member of SHS Class of '68, received his B.A. in history from the University at Albany in 1972, furthering his education in Restoration and Preservation Technology at St. Lawrence College in Kingston, Ontario, Canada. This served as a springboard to launch his life-long career in historical preservation, restoration and museum work. As a Restoration Specialist, Blake spearheaded many projects for the Henry Ford Museum and Greenfield Village, Dearborn, Michigan. This included the Harvey Firestone Farm and House in Ohio which was dismantled and shipped to the museum; The Buckminster Fuller Dymaxion House, a 1940 diner and gas station, the Wright Brothers' House and the 1960s' recording studios of Motown Records. He was a co-creator of the Henry Ford Museum's American Automobile made in America exhibits. The latter part of Blake's life was spent in Cherry Valley, New York. There he was the founder and director of the Cherry Valley Group, an organization of professionals designed to provide historic and preservation services and exhibits for museums and cultural organizations. More than fifty projects were completed in 15 years.

**Blake Hayes**  
*Class of 1968*

A colleague stated that during that time, Blake's enthusiasm and drive for the work never seemed to diminish and clients were well served. Blake's devotion to historical preservation inspired his service to many community boards in both Cherry Valley and other places he lived.

## For Distinguished Alumni & Educators

### *Blake Hayes con't....*

He served on the Cherry Valley Village Planning Board and was a charter member and president of the Green Bay Area Preservation League, Wisconsin. While living in Ypsilanti, Michigan, Blake was a commissioner of the Ypsilanti Commission, and it was said that he contributed not only his expertise but a wicked sense of humor.

In 2004 he was the recipient of the prestigious Schlebecker Award from the Association of Living History, Farm and Agricultural Museums, an organization to which he volunteered numerous hours and served as webmaster. On another note, Blake's passion for life led him to myriad interests and pursuits all with a common denominator of his love of people. He was a one-man social hub known for his humor, hospitality and good cooking. In a testimonial to Blake a colleague wrote that he had so much knowledge of so many topics.

His passions included food, architecture, politics, art, gardening, restoration, literature, maple syrup production and barbecue. It can well be said that to have known Blake was truly a gift.

### **LTC Ret. Dane L. Woytek** Excellence in Teaching, Mentoring and Volunteering

Dane L. Woytek, graduate and president of the SHS Class of '68, furthered his education by earning an A.S. Degree at the Wentworth Military Academy in 1970, a B.A. in sociology at the University of Rhode Island in 1972 and a M.S. in Operations Management from the University of Arkansas in 1983. His 22-year career in the United States Army began in 1972 when he was commissioned out of college as a Second Lieutenant. He went on to serve as an Infantry Officer in several overseas stints in Germany, Panama and then state-side. In his last post before retirement Dane was the Director of Plans, Training and Operations at Fort Dix, NJ.

**Dane L. Woytek**  
*Class of '68*

During this time Dane received numerous military awards and commendations. The next phase of Dane's career was in education. He established the Junior ROTC Program at Riverside High School in New Jersey in 1994. Under Dane's leadership the program went from 30 to over 200 cadets and was accorded the highest recognition of Honor Unit with Distinction. In a farewell article written for Dane it was said that, "Few teachers can do what Lt. Colonel Dane Woytek has done for not only the Riverside JROTC program but also the high school and surrounding communities." The Deputy Mayor of Riverside wrote that the local VFW would invite Dane and the cadets to the State Convention to march with the veterans. They were recognized for their outstanding job, "but that is a result of one thing ... Dane Woytek."

After moving to the Delsea Regional School District in 2008 Dane again improved the JROTC Program, maintaining the Honor Unit with Distinction and expanding enrollment. A former student wrote in a letter about Col. Woytek, "I am so thankful for the influence of this officer, teacher, and gentleman." Dane's affinity for community service has shown itself repeatedly throughout the years both during his tenure in education and after his retirement when he returned to Sidney.

Dane was appointed chairman of the committee formed to design a monument to honor Sidney's veteran alumni at the Sidney Veterans Memorial Park. A fellow member stated, "I witnessed close up Dane's leadership skills and administrative experience." He also undertook the fundraising campaign for the park in which he spent countless hours soliciting donations. The vast amount of funds he raised surpassed all goals. His involvement in both the planning and execution of the grand opening ceremony was further evidence of his overall devotion and service to young people, his country, Sidney alumni, veterans and the community at large.

## Wall of Fame Induction

### Robert J. Daugherty

Exemplary Leadership in Business,  
Human Relations and Higher Education

**Robert Daugherty**  
*Class of '73*

Robert J. Daugherty graduated from Sidney High School with honors in 1973. He was a star athlete lettering in three sports and starting on the 21-0, undefeated 1972-73 basketball team. As a senior he received the Ralph Pile Award given to the school's outstanding student athlete. Wall of Fame member Gary Scavo said, "By far his best trait was his leadership capability which

he developed at an early age and continued to build on throughout his high school, college, and professional career and even into his retirement. Bob was a leader by example in both school and sports."

Bob went on to St. Bonaventure University graduating magna cum laude. He later returned to his alma mater as a trustee serving first as Board Vice Chair and ultimately Chair. Along the way, he headed the University's successful \$15 million capital campaign. As Board Chair, he led the institution through an extremely difficult period making strategic decisions that included a change in St. Bonaventure's leadership. St. Bonaventure grad and former Board Chair Robert R. McGinley, Jr. stated, "Saint Bonaventure is the beneficiary of his steady, informed and inspirational leadership."

He had a long illustrious career with PricewaterhouseCoopers starting in 1977. In 1982, Bob took on the role of Human Resource, Finance and Administration Leader. He continued to work in this area advancing first to the Philadelphia cluster where he became a PwC Partner and then moving to the New York City cluster. In 2000, Bob was named the US Human Resource/Learning and Education Leader. From 2006 until he retired in 2010. Bob was the US Sourcing Leader for PwC, overseeing the Campus and Experienced Recruiting functions.

He visited and lectured on many campuses around the US. Bob also served on the Global Human Capital Leadership Team and was a member of PwC's Extended Leadership Team. Upon retirement from PwC, Bob has continued to focus his efforts on furthering the human condition spending considerable time in the areas of service, leadership development and executive coaching.

Bob was a member of the American Accounting Association serving on their Executive Committee as Vice-President. He also served on the Universum Global Advisory Board. Bob is a member of the AIC-PA and NYSSCPA. What comes across in all of Bob's achievements is that he has always been a leader who serves with compassion, drive, and a true caring for others. He is the characterization of servant leadership.

### William C. Mirabito

Excellence in Business and Community Leadership

**William Mirabito**  
*Class of '78*

William Mirabito is a man who has left large footprints across a wide swath of his native Central New York. Born, raised and schooled in Sidney, Class of 1978, he received his Bachelor Degree in Business Administration from Le Moyne College in 1982 and immediately started his business career as an agent for Northwestern Mutual Life.

From 1984 to 1993 he was a partner at the John C Scott Agency in Norwich, New York and from 1993-1999 he served as Vice President of Mang Insurance. Bill became Vice President for Mirabito Holdings Inc. in 1999 and held this position until 2008 when was appointed President of the Benefits Division at Mang NBT Insurance. In 2015 Bill left Mang NBT Insurance to become Senior Vice President of customer development for Mirabito Holdings Inc., a position he currently holds.

*Mirabito continued...*

## For Distinguished Alumni & Educators

### *Bill Mirabito bio con't ...*

Bill, along with the new generation of the Mirabito family, is shepherding the legendary business enterprise founded many years ago by his grandfather, uncle and father.

As a successful businessman Bill's interests and expertise has led him to be asked to join the boards of many community organizations such as the Oneonta YMCA where he had an active role in the 2009 building project that included an upgrade of the gymnasium floor and roof. Joseph Yelich, Superintendent of the Oneonta City School District, said in his testimonial, "Bill is a man of vision and insight who listens to the needs of people and institutions and puts his substantial wherewithal behind efforts to solve the problems expressed by those community members and groups." Bill has also served on the AO Fox Hospital Board of Directors since 2009. Jeff Joiner, President, indicated that Bill is a leader who does so by example.

Jeff Joyner said, "Bill's compassion and love for this area is clear through all the work that he does serving on various boards in the community".

Bill has moved to the Binghamton area to be closer to work and family, but he has continued to support Springbrook, an Oneonta organization that helps people with developmental disabilities. Patricia Kennedy, CEO of Springbrook, stated "Bill does not simply give time or money to a cause, but gives of himself. Each year he is at our basketball tournament serving as a referee and getting to know the athletes he supports".

A testament to Bill's reputation is on display in the many letters of recommendations the Alumni Committee received endorsing his inclusion on the Sidney Central School's Wall of Fame. Bill Mirabito, shows the true spirit and tenets of those of us who are proud to call ourselves Sidney High School graduates and, indeed, Sidney Warriors.

## Rooms Available Alumni Weekend at SUNY Oneonta

One of my classmates has been having a hard time finding a place to stay alumni weekend. She said that everything from here to Albany is booked for that weekend. Our class rep used to work at SUNY Oneonta and got in touch with a friend there and they will have a dorm open that weekend for any alumni that need a place to stay. It will be \$36 a piece double occupancy or \$66 single. They will supply linens. Of course, it will be a shared bathroom. It will be available July 12<sup>th</sup>-15<sup>th</sup>. If anyone is interested they should call Donna Toombs at 436-2079 and tell them it is for Sidney Alumni Weekend. She can give you all the details. I think that this is great for them to do this.

**The Class of 1983** will not be having a formal reunion this year. We are saving it up for our big 40th in five years! This year, we will have a specific time and place to "meet up" during Reunion Weekend. More specifics will be posted to our Facebook page, "Sidney High School Class of 1983". For fellow classmates who have not joined that page, please do so, to can keep abreast of upcoming events, both this July and moving forward. Carol Palmer Petersen at: [tpetersen001@nycap.rr.com](mailto:tpetersen001@nycap.rr.com)

**The Class of 1969** 50th Reunion will be held on Saturday July 20th, 2019 at the Sidney Golf Club.

Additional information to follow. Classmates please update your addresses on the Sidney Alumni Association website. This is the best source to notify classmates about this reunion. If you are in touch with classmates whose addresses are not on the alumni website please email them to Dave Gill at [jdgilly@verizon.net](mailto:jdgilly@verizon.net).

## 16th Annual Sports Hall of Fame Induction Weekend for Class of 2018

Without much time to cherish our milestone 15th anniversary, the Sidney Alumni Sports Hall of Fame committee is proud to announce its next class of inductees and plans for Induction Weekend 2018!

Friday and Saturday September 28-29 are the dates for this Fall's special event. The traditional Homecoming Football Game this year pits long-time rival Walton versus our Warriors. At halftime of that game, the Class of 2018 and Legacy team will be officially presented to the school and community.

The committee also announces (with regret) the resignation of Wendy Simonds Weidman '89/SHOF '10.

However, we gladly welcome our newest committee member, Tim Doyle '79. Tim's first activity was participating in a most spirited nomination and voting process.

An open-invitation dinner and reception for inductees, their families and alumni will follow at the VFW on Saturday, Sept. 29th, at the Sidney Elks. Details will be announced in mid-July. Tickets will also be made available shortly after Alumni Weekend.

There will be five inductees this year. Unique characteristics for the 2018 group are the record number of females, a brother and sister combo, with that sister helping pave the way for the other ladies being honored.

Mark your calendar:

### **Amanda Haney Blette '04**

Won 3 NYS high jump championships and still co-holds Section IV record at 5'8" ... Played 3 years each of varsity basketball (2001-2 NYS Class C finalist) and soccer. At SUNY Geneseo, Amanda was a five-time Division I and II All-American for indoor and outdoor high jump highlighted by a 3rd (freshman) and 2nd (junior) in Nationals. Also a 4-year basketball player. Best season (2006-7) averaged 10 points and nearly six rebounds per game.

### **Katelyn Guerriere '06**

Quite simply Section IV's most decorated track & field athlete. 22 NYS Meet placings, with six first places. In addition, 28 Sectional I titles in numerous events. Still holds 100-meter hurdles mark. Also key member of a 22-0 volleyball team that won Winter Season State Championship. Excelled at Division I James Madison University where she still holds four track and field school records in the 60m and 100m hurdles; long and triple jump.

### **Helen Harris '87**

Two-time allstar in three sports; played field hockey, basketball and softball. and had unique experience of winning Section IV titles in all three as a senior. Was voted MVP in each sport during her senior year and earned the coveted Redmond Scholar-Athlete Award. Played basketball briefly at LeMoyne College.

## Celebrating the Sports Hall of Fame 16th Anniversary

### Mark Payne '67

1967 NYS wrestling champion at 138 lbs, placed 2nd at 133 lbs. In 1965, he was an integral part of Sidney's rise to power under Hall of Fame Coach Tom Robertson. Mark was an outstanding two-way football player and also ran track for Sidney. Competed at the Division I level for the University of Pittsburgh where his best dual meet season was 1969-70 (8-0-1). Represented USA at Junior Olympics in Europe.

### Peggy Payne Phelps '68

Second pre-Title IX athlete inducted; outstanding Sports Day participant, earning "honor player" in field hockey, basketball and softball; placed second in one-day track meet. At Mohawk Valley CC, played four sports; set school record with four goals in one field hockey game. Coached Grand Island varsity volleyball to two Section 6 titles. Influenced many young girls coaching Lassie League softball.

## The 2018 Legacy Team

### 1997-98 NYS Class C Boys Basketball Champions

The 2018 Legacy Award is the 1997-98 NYS Class C Boys Basketball Champions under Coach Mike Brazee. The tallest of all Warrior squads in history, this group made history by sweeping its way to the title.

In the discussion of tradition-rich Sidney hoops, this team makes a good case as "best ever". Most players have already confirmed their return to receive this honor.

## SIDNEY ALUMNI BASKETBALL – ANOTHER SUCCESSFUL NIGHT

The 26<sup>th</sup> Anniversary of the Sidney Alumni Basketball Association (SABA) had a little extra something for its December 22 event, held at the Sidney High School gym. Begun in 1992, SABA's Alumni Night is a way to remember Sidney's long history of basketball success. The doubleheader of games also generates money which provides a yearly \$300 scholarship to a graduating senior who was dedicated to Warriors basketball.

Between games of the twin bill, SABA founder Greg Davie '76 surprised current varsity coach and classmate Mike Brazee '76 with a personalized plaque in honor of Mike's tremendous coaching career, a tenure

that includes two New York State titles and 400 victories. After the presentation, all former players were invited to be part of a collective alumni photo.

# ALUMNI BASKETBALL *Continued...*

**Team Brazee**

It was another shortened opener for the “Old timers/Lady Warriors” game, with several alumni waiting for the next game agreeing to fill spots for a 5-on-5 contest.

Team Maroon outlasted Team White 47-40. Special thanks to John Elwood (class of 1974) for participating, along with perennial Lady Warrior players and 1998 classmates Shane Eaton Armstrong and Melissa Holowacz Rowe. After last year’s “Young Guns” battle that saw a roaring comeback and overtime win for the older alums, few of the fans or players at the gym thought that same excitement could be matched this time around. But that’s exactly what happened!

And it was essentially the same rosters playing out the scenario. Team Finnegan were older players (2002-11) who struggled early once again. They trailed Team Finnegan’s more recent grads (2012-17) 46-31 at halftime. The second half saw some mini-comebacks only to watch the deficit increase to 16 with eight minutes remaining. Kyle Smith ‘17 and Kyle McMillan ‘15 led the Team Brazee attack. But in a true deja vu, the older group stormed back again, led by Ricky Dorsey ‘05 (2016 MVP), Billy Kozak ‘14, and by the 2017 MVP, Dylan Umbra ‘11. The trio combined for 40 of their team’s 57 points.

Final score was Team Finnegan 88 Team Brazee 80. Umbra led the scoring with 25 points, followed closely by Dorsey with 24. Quinn Dorsey ‘09 and Billy Kozak also reached double figures with 12 and 11 points respectively. For Team Brazee, Damian Zimmer ‘13 led the way again as last year with 15, with Kyle Smith (14), Hunter Sowersby ‘13 (13) and Kyle McMillan (10) close behind. JV coach Bob Finnegan and current varsity coach Mike Brazee handled the teams again this year.

A passing of the Santa hat also proved worthy of a repeat performance from a year ago. \$155.91 was raised to help keep the SABA scholarship going. Thanks to all who played

**Team Finnegan**

**(Left) Dylan Umbra MVP --** Dylan and SABA founder Greg Davie

**Old-Timers & Lady Warriors --** Shane Eaton Armstrong, Melissa Holowacz Rowe, Greg Davie, John Elwood.

or helped in any way, with special thanks a “Lady Warrior” MVP award earned by Jacqui Green ‘85 for her stellar photography! Jacqui was the unanimous choice for the Lady Warriors MVP award.

**Umbra & Miley --** Two of Sidney’s three career 1,000 point scorers in boys basketball. Dylan Umbra (‘11) and Eric Miley (‘00).

## Class of '67 Celebrated 50th Reunion in 2017

*by Gail Secunda*

The Class of '67 gathered during Alumni Weekend 2017 to celebrate their 50th high school reunion. Classmates came from three of the four corners of the U.S. - Maine, Florida, and California - as well as from several states in between to reconnect, remember, and reflect.

For some, it was their first reunion ever. For others, it was their first time getting together with other classmates in twenty or thirty years. All of them came to join the few "regulars" in the class who annually attend the Alumni Weekend.

The weekend started well with classmates Chris Davis, George Hollister, Chris Jayne, and Larry Wyss winning the golf tournament. That night some classmates attended the All-Alumni dance and, the next morning, the Class of '67 was well-represented at the March of Classes held on the Alumni Field. However, the highlight marking our 50 years out of high school occurred early Saturday evening.

Thanks to Amy Miketta Fitzgerald - aided by Pam Lown Gilbert, Diane Graney Holbert, and Judy Warren Myers - 54 classmates (nearly half the living graduating class) along with spouses, family members, and/or friends gathered at HWY 7 Pub & Grill to enjoy a buffet supper. Many of us

remembered the place as the Dairy Barn where we had gone for milkshakes and burgers after ball games or wrestling matches 50+ years earlier. It was nice to see that the restaurant had been resurrected in a modern way, serving dinners and drinks. The room where we met was made even more special by Jackie Yale Rivino. She had designed several collages depicting memorable historical events, popular musicians, and fads of the 60's. Thanks to her creativity, it truly was a walk down memory lane!

Fortunately, seating was such that we could sit and enjoy our food or roam around the room, reconnecting and reminiscing with those we hadn't seen in years. As most of us finished our main meal, Big Chuck D'Imperio emceed, asking who had traveled the farthest, who had parents that were still living, who had been married the longest, who had the most children/grandchildren/great-grandchildren, etc. All in all, everyone had a great time sharing memories, both good and bad, and many agreed to return again soon (Reminder: there will be a 70th birthday party in 2 years!)

On Sunday, the names of the 26 classmates who predeceased us were read at the Sidney Veterans Memorial Park RECONNECT. It was fitting to include those who could no longer be with us into a weekend of fond memories.

**SPECIAL NOTICE TO ALUMNI AND CLASS REPRESENTATIVES:** The Class Roster and Class Rep list are essential to ensure communications about the Alumni Association reach you. The SCSAA has a class roster on the website, [www.sidneyalumni.org](http://www.sidneyalumni.org), that contains the names of all Sidney alumni. Your contact information is only as current as your membership. When you join or renew and send your contact information, it is entered in the roster unless you indicate you do not want it posted. The future of *Reflections* depends on alumni maintaining their official membership. Is your class in need of a Class Rep? Would you like to volunteer? Submit your name and contact information to: [update@sidneyalumni.org](mailto:update@sidneyalumni.org). Be sure to write "New Class Rep" on the form.
