Alumni Association Announces its Leadership Fellows Program

On Friday, April 6, Sidney Central School Alumni Association's (SCSAA's) president, Doug Sheldon; vice president, Jon Jay DeTemple; Sidney Central School (SCS) Board representative, Kerri Green; and guest, Lori DePauw, SCS Student Counsel Advisor, and Global Studies II, Law and Government educator, met in the Alumni Room at the Middle School to interview five candidates for a new program in which high school students may take part in board meetings and activities of the Alumni Association.

On Saturday, the board of directors of the Alumni Association ratified a resolution creating the "SCSAA Leadership Fellows Program" and confirmed the selection of Glenn Rogers and Sarah Bessett as the first two Fellows.

The Interview Process: Getting to Know the Students-- (L-R) Jon Jay DeTemple ('61); Lori DePauw, Student Counsel Advisor; Lindsey Pierce ('20), treasurer of the sophomore class (center); Doug Sheldon ('59), and Kerri Green ('97).

The vision for the Leadership Fellows Program is one in which the Association can benefit from the youthful energy, imagination, insight and social-cultural awareness of teenagers; and the young people can benefit by actively experiencing how the Association plans and organizes its many alumni events and involvements with the school and community. The Association committee members were excited to meet and dialogue with each of the applicants.

Interviewees included Parker Hinkley '21, secretary of the freshmen class; Bryleigh Beauchat, '20, secretary of the sophomore class; Lindsey Pierce '20, treasurer of the sophomore class; Glenn Rogers '20, vice president of the sophomore class; and Sarah Bessett '21, vice president of the freshmen class.
